Lenczner Slaght Welcomes Delna Contractor

Talented lawyers continue to choose Canada's leading litigation firm.

Lenczner Slaght is delighted to welcome Delna Contractor to the firm as our new associate. She previously practiced at the Toronto office of a large international law firm.

Delna's practice includes a broad range of areas, including commercial litigation, class actions, and insolvency matters under the CCAA. She has a wide range of advocacy experience, from successfully representing an Ontario corporation in a precedent setting oppression action to representing clients at trial in criminal pro bono cases. She has appeared before all levels of court in Ontario.

Welcome, Delna!
