AI Trial Advocacy: Your Guide to Handling the Evidentiary Implications of Artificial Intelligence

Paul-Erik Veel was invited to share his expertise at the Ontario Bar Association's program on AI Trial Advocacy. Paul-Erik presented on the session, *Demonstration and Debrief: Examination for Discovery of a Non-Party (AI Product Representative),* where he discussed the following topics: unraveling the unique elements of AI and how those translate into your discovery questions, what you need to know about training AI models, and AI and bias.
