Artificial Intelligence for Litigators: Next-Gen AI Tools in Action

Jonathan Chen was invited to share his expertise on the panel titled, *Beyond Boolean: AI-Enhanced Research and Case Analysis* on The Advocates' Society's program, *Artificial Intelligence for Litigators: Next-Gen AI Tools in Action*.

Jonathan will showcase Alexi, a legal AI platform, sharing how it's evolved over the past year, its use cases, and tips for getting the best results.
