Alex Tuccillo

ALEX TUCCILLO

is an associate at Lenczner Slaght.

Alex summered and articulated at Lenczner Slaght, where she gained experience in a variety of areas including complex commercial litigation, public law and professional liability and regulation matters.

Alex recently completed her law degree at the University of Windsor, Faculty of Law. Although Alex has a diverse set of interests and a continuous curiosity, one thing that has remained consistent during her time at law school has been her passion for oral advocacy. Alex has worked at and volunteered with Legal Assistance of Windsor where she has had the privilege to serve a clientele with complex and multi-faceted needs. This experience representing clients in front of various tribunals solidified her interest in litigation and encouraged her to participate in the Walsh Family Moot.

Prior to law school, Alex worked extensively with youth diagnosed with Fetal Alcohol Spectrum Disorder (FASD), a role which emphasized how integral access to justice is to competent oral advocacy and the legal field. She also has a Combined Honours Degree in Arts and Science specializing in Psychology, Neuroscience and Behaviour from McMaster University
