**JASON LO**

is the Senior Manager of Financial Planning & Analysis (FP&A) and Pricing at Lenczner Slaght.

Jason is responsible for driving client value through the rate setting and renewal process, covering both standard and non-standard methods of pricing engagements. He also leads the firm's budgeting and forecasting cycles, working closely with the firm's Management Committee and business team leaders to set up the firm for financial success. Jason takes pride in diving deep into financial data, analyzing trends, and creating data visualizations to help his stakeholders navigate complex financial decisions.

Prior to joining Lenczner Slaght, Jason graduated from Western University with an Honours Specialization in Accounting and holds a Chartered Professional Accountant designation. Jason was previously a finance business partner for one of the world's top accounting and consulting firms, and his prior experience spans across various industries including media, journalism, and manufacturing.
