Canadian Border Declarations: What We Brought Back from the LMA Annual Conference

Adhi Reza has been invited to speak at the Legal Marketing Association's upcoming webinar, *Canadian Border Declarations: What We Brought Back from the LMA Annual Conference*.

In this session, Adhi recapped key insights from the two keynote presentations at the conference. The first, *Crafting Messages That Resonate: Lessons from Presidential Speechwriters on Connecting with Your Audience*, featured Cody Keenan and Terry Szuplat, who shared behind-the-scenes experiences and strategies for translating complex ideas into messages that resonate with broad audiences. The second, *Forward Together: The Human Edge in an Era of Rapid Change*, presented by Heather McGowan, explored how professionals can create meaningful impact despite stretched resources and decentralized leadership by focusing on listening, building trust, and fostering psychological safety.
