Five Years as Litigation & Dispute Resolution Firm of the Year

Following extensive research and assessment by industry leaders across Canada, Lenczner Slaght was proud to be recognized by the Canadian Law Awards for its litigation excellence for the fifth year in a row.

We are widely recognized as Canada's leading litigation practice and have successfully represented clients' interests in some of the most complex, high-profile cases in Canadian legal history. We complement our extensive courtroom experience and exceptional advocacy with a deep understanding of both the law and our clients and a commitment to innovation, equity, diversity and inclusion, and access to justice.

In another standout year in 2023, we attracted major clients and litigation matters across 17 practice areas, 18 industries, and almost every province in Canada, we added to our bench strength with 14 new lawyers and 18 students, we completed thousands of hours of court appearances, in person and virtually, and we appeared at the Supreme Court of Canada twice. We are proud that our clients continue to trust us with their toughest legal disputes.

Congratulations to every member of our firm who contributes to our success every day!
