From Selection to Testimony: How to Work Effectively With Financial Experts in Intellectual Property Disputes

Andrew Moeser will share his insights at the Toronto Intellectual Property Group event titled, *From Selection to Testimony: How to Work Effectively with Financial Experts in Intellectual Property Disputes*. Andrew will discuss how counsel can select the right financial expert, engage them early, and collaborate effectively throughout the life of an IP case. Topics include managing costs, avoiding common pitfalls, and strategically leveraging expert input from pre-litigation through trial.
