Growth Spurt: Optimism reigns in the life sciences sector

Andrew Skodyn was quoted in the November/December, 2014 issue of Lexpert Magazine. The article analyzes the life sciences arena.

"Analyzing the life sciences market and the opportunities it offers to lawyers ultimately comes down to how it's defined...

...'Section 8 claims came out of nowhere, but now there's a ton of them,' says Andrew Skodyn of Toronto's Lenczner Slaght Royce Smith Griffin LLP. 'Overall, there's as much pharma patent litigation as there ever was, although it may be distributed a little differently.'"
