IAM Patent 1000 Recognizes Lenczner Slaght's IP Expertise

Canada's leading litigation firm continues to be recognized year over year for its exceptional Intellectual Property expertise.

Following an extensive qualitative research process that included peer and client feedback, Lenczner Slaght is proud to once again be ranked in the eighth edition of *IAM Patent 1000: The World's Leading Patent Professionals*. The directory identifies world-class firms and individuals who are deemed outstanding in patent litigation based on their depth of expertise, market presence and quality of work.

In addition to the firm's ranking, our expert IP litigator, Sana Halwani, has advanced into the silver tier for her in-depth knowledge and extensive trial experience in patent matters. Sana received the following praise from clients and peers:

Sana Halwani, who moves into the silver tier this year, has proven her mettle in many complex pharmaceutical cases, including situations in which drug originators have faced off against each other. She has a busy technology practice too and has handled many cases relating to interactive television programme guides acting for TiVo. Sources describe her as "a superb up-and-coming litigator".

Congratulations to Sana and the team!

About IAM Patent 1000

Over five months, IAM conducted in the region of 1,800 interviews with numerous lawyers, patent lawyers and in-house counsel to gather market intelligence on the leading players in the field. Individuals qualify for a listing in the IAM Patent 1000 when they receive sufficient positive feedback from peers and clients with knowledge of their practice and the market within which they operate. Only those individuals identified by market sources for their exceptional skill sets and profound insights into patent matters feature in the IAM Patent 1000.
