Lenczner Slaght Partners with Progress Place

We are excited to announce that we have joined the Progress Place community as an Employment Partner.

Lenczner Slaght will be working side by side with Progress Place to create a working environment beneficial to the health and wellness of people living with a mental illness. We will be providing opportunities for people living with a mental illness to gain valuable work experience all while providing the support they need to become confident and contributing members of the community.

We look forward to working with all the new faces at our firm!

About Progress Place

Progress Place is a recognized community-based program that facilitates an inclusive, respectful and engaging community for those living with a mental illness. They do this by partnering with organizations and businesses to provide members with opportunities to live, work, and learn, while contributing their talents within a community of mutual support.
