Lenczner Slaght Recognized Among Canada's 5-Star Pro Bono Firms

We are proud to be recognized once again as one of *Canada's 5-Star Pro Bono Firms* in Canadian Lawyer's annual report, published in partnership with Pro Bono Ontario. This recognition highlights law firms across the country that are making meaningful contributions to access to justice through their pro bono efforts.

With a longstanding commitment to pro bono work and community service, our lawyers and students continue to be actively involved in a wide range of pro bono matters, including through the firm's dedicated programs and partnerships. This includes our continued partnerships with the **Canadian Civil Liberties Association**, the **Pro Bono Referral Project for the Canadian Centre for Housing Rights**, **Legal Aid Ontario's Clinic Resource Office**, and **Pro Bono Ontario's Free Legal Advice Hotline**.

About CL 5-Star Pro Bono Firms

Canadian Lawyer's 5-Star Pro Bono Firms recognizes Canada's law firms that demonstrate pro bono infrastructure at an institutional level, through initiatives such as the formal adoption of pro bono policies, the striking of committees to provide leadership and oversight, the recognition of pro bono hours, charitable giving to access to justice organizations, the active engagement with partners in the community to find meaningful pro bono opportunities, and a minimum of five hours per lawyer pro bono time.
