Lenczner Slaght Repeatedly Tops Chambers Global Ranking

Canada's leading litigation practice remains highly regarded for 13 consecutive years.

Lenczner Slaght has once again been ranked in the top tier for dispute resolution by Chambers Global, the world-renowned legal directory. Chambers Global quotes a client's remarks "the firm is staffed with exceptionally talented litigators who are committed to excellent service".

The Chambers rankings are the culmination of extensive research with law firm clients and legal professionals around the world, noting that Lenczner Slaght is a "Toronto-based boutique [which is] widely considered a top choice in Canada for complex and high-profile commercial litigation."

"A 13-year ranking is the result of our success in attracting and mentoring the best legal talent," says Peter Griffin, Lenczner Slaght's managing partner. "It is rewarding to demonstrate to our clients that they have retained the very best to take on their legal challenges and to produce results that best achieve their business objectives".

In addition to the firm's rankings in Dispute Resolution and Class Actions, 8 Lenczner Slaght lawyers also received individual rankings:
