Lenczner Slaght's Expert IP Team Receives Worldwide Recognition

Canada's leading litigation firm continues to be recognized for its exceptional Intellectual Property expertise by IAM Patent 1000.

Following an extensive qualitative research process that included peer and client feedback, Lenczner Slaght is proud to once again be ranked in the 2022 edition of *IAM Patent 1000: The World's Leading Patent Professionals*. The directory identifies world-class firms and individuals who are deemed outstanding in patent litigation based on their depth of expertise, market presence and quality of work.

In addition to the firm's ranking, four of our expert litigators are recognized for their in-depth knowledge and extensive trial experience in patent matters.

- Andrew Moeser
- Sana Halwani
- Jordana Sanft
- Cynthia Tape

Clients and peers had only positive feedback regarding our expert team:

> [Jordana] Sanft excels at unravelling the most convoluted life sciences questions and impresses with her keen eye for detail and practical problem-solving approach.
>
> [Andrew] Moeser's biology expertise allows him to effortlessly understand any and all challenges his clients face.
>
> Sana Halwani [is] one of the firm's leading lights. Sana and Andrew are both astute practitioners who pay close attention to the smallest details. Their strategic guidance is incredibly beneficial.
>
> Completing the line-up is senior counsel Cynthia Tape, whose extensive advice is invaluable.

Congratulations to our expert IP team!

About IAM Patent 1000

Over five months, IAM conducted in the region of 1,800 interviews with numerous lawyers, patent lawyers and in-house counsel to gather market intelligence on the leading players in the field. Individuals qualify for a listing in the IAM Patent 1000 when they receive sufficient positive feedback from peers and clients with knowledge of their practice and the market within which they operate. Only those individuals identified by market sources for their exceptional skill sets and profound insights into patent matters feature in the IAM Patent 1000.
