Lenczner Slaght Welcomes Gillian Scott as Chief Client Officer

Canada's leading litigation firm is proud to expand its exceptional leadership team with the addition of Gillian Scott as the new Chief Client Officer and member of the Management Committee.

"We are excited to welcome Gillian Scott to the firm in a new role focused on driving exceptional value for our clients," says Monique Jilesen, Managing Partner. "She brings a wealth of experience from her time as a commercial litigator as well as a strategic business leader in client relations, business development, and innovation. We are confident that she will take our firm's commitment to delivering excellence in advocacy and client service to new heights."

Prior to joining Lenczner Slaght, Gillian was a litigation partner for 10+ years at a national law firm, where she acted in various business roles in client development, innovation and litigation operations. Gillian's background as a practicing commercial litigator, and in law firm business-side roles has given her unique insight into client challenges and the ability to deliver client-centric solutions.

In her role as Chief Client Officer, Gillian will oversee our client-focused business functions, including Business Development, Marketing, Legal Talent, Legal Support Services, Legal Project Management, and Events. As a member of the Management Committee, she will play a pivotal role in setting the strategic direction of the firm.

Welcome, Gillian!
