Peter Griffin Constitutes Excellence in Civil Litigation

Lenczner Slaght's managing partner, Peter Griffin, is the 2017 recipient of the OBA Award for Excellence in Civil Litigation.

The Ontario Bar Association will honour Peter Griffin with the prestigious OBA Award for Excellence in Civil Litigation at a special awards ceremony that is sold-out tonight at the Ritz-Carleton.

This award recognizes one individual each year who exemplifies not only outstanding advocacy skills and leadership in the civil litigation bar, but also professionalism, integrity and civility.

"Peter is an outstanding advocate, universally respected by the Bench and Bar," says Ronald G. Slaght. "He represents all of the values embodied in the OBA Award for Excellence in Civil Litigation through his skills, mentorship, professionalism and leadership."

Peter is broadly recognized by his peers as a leading practitioner in the areas of corporate and commercial litigation, class actions, securities, insolvency, directors and officers liability, and professional liability.

Peter is the second Lenczner Slaght lawyer to receive this accolade following Alan Lenczner, who was honoured in 2007.
