The Court Stresses Stability and Coherence: The Top 10 SCC Private Law Cases in 2021

If there is a theme unifying the Court's most significant private law decisions of 2021, that theme is coherence. From the principles of good faith policing contractual discretion, to the principles defining what policy decisions of public authorities are immune from negligence, this year's decisions display a Court paying careful attention to order and structure.

Click here for Scott Rollwagen and Kaitlin Soye's case commentary on the top 10 SCC private law cases in 2021.
