The Litigator’s Next Move: Practical Skills for Taking Greater Ownership of a File

Margaret Robbins will share her insights at the Canadian Bar Association’s *Skilled Lawyers Series: The Litigator’s Next Move***:** *Practical Skills for Taking Greater Ownership of a File*, in the session titled *Who Pays, Who Decides? Understanding the Financial Interests Driving the Litigation*. The series helps litigators look beyond the immediate task, spot risks and opportunities earlier, and handle more complex matters with greater independence.
